Specifications updated: February 2024

① Actual range will vary depending on driving/charging habits, speed, conditions, weather, temperature, and battery age. Battery capacity is the initial capacity and will decrease over time and use. Battery age and outside ambient temperature affect charging times.

② The above specifications are for the standard vehicle and are subject to regional needs and regulations. Some vehicles shown include optional equipment that may not be available in all regions. All technical specifications are subject to change without prior notice. Visit a BYD dealer for more details.

③ BYD reminds you to wear seat belts, secure children in the rear seat, obey all traffic laws, and drive responsibly.

④ All images shown are for illustrative purposes only.
